

Internet Safety and Filtering Presentation– March 11, 2005

9:00 – 10:00 – Target Audience = Librarians

10:00 – 11:00 – Target Audience = Educators/Librarians

Internet Safety and Filtering Presentation– March 11, 2004 - 9:00 – 11:00 a.m.
ESSDACK – Hutchinson 1500 East 11th (F16a) Join South Central Kansas
Library System Director, Paul Hawkins and Automation Technology Coordinator,
Larry Papenfuss from 9:00 – 9:45 a.m. as they present on the latest local, state
and federal issues regarding Internet safety and filtering. Following a 15-minute
question / answer session, Detective Wright of the Wichita Police Department
and Detective Prunier of the Sedgwick County Sheriff's Office will present a 45-
minute session on Internet safety for children and will close with a 15-minute
question / answer session.

This 2-hour presentation will be held at ESSDACK – Hutchinson and broadcast
via Kan-ed Live. Come join us as we delve into the latest concerns and fears of
how the Internet affects libraries, schools and their communities. This is the
second session of three that will be given, with the final follow-up session being
held on Monday, May 9, 2005 at ESSDACK-Hutchinson and broadcast on
Kan-ed Live!

Friday, March 11, 2005 - South Central Kansas Library System
